Inflight announcement in Tamil

297. SHRI S. THE MINISTER OF CIVIL AVIATION AND MINISTER OF INFORMATION AND BROADCASTING (SHRI C.M. IBRAHIM): No, Sir. Since Indian Airlines and Air India are not operating their flights on regional basis, it is not practically possible to provide cabin crew having knowledge of each regional language. THE MINISTER OF CIVIL AVIATION AND MINISTER OF INFORMATION AND BROADCASTING (SHRI C.M. IBRAHIM): (a) The Enquiry Committee could not establish the exact cause of the fire. The Enquiry Report states that it is difficult to establish the cause of the out-break of fire in the area above the false ceiling since the damage is so extensive that the entire building has literally collapsed in the shortest possible time because of the steel structure and most of the contents of the building have been consumed in the fire.
